SUBJECT : Ad Hoc Committee on Promotion Blockage

REFERENCE : Memo for D/Pers from DDP/OP,
8 June 1967, Subject as Above

1. In referent memorandum we notified you that the Clandestine Services was conducting a review of the characteristics of officers GS-14 and above with respect to their current and future utilization. We hoped through the survey to identify the parameters of the problem faced in managing this senior group of personnel including that of providing advancement opportunities to grades GS-14 and above.

2. A summary of the results of the survey is attached for your information. You will understand that the statistics were prepared by the individual CS Component Chiefs and that the names of the officers concerned were not recorded. Accordingly, the results do not provide a basis for any specific action with respect to an individual at this time.

3. With the establishment of the CS Personnel Management Staff, we will be in a better position to initiate programs and procedures to deal with problem areas outlined by the results of this preliminary study. STATINTL
